NOTE: All material must meet the definition of clean fill material as defined by IEPA 415 ILCS 5/3, 160 (b). Therefore, Land and Lakes Company's Environmental Compliance Group must approve all origins prior to delivery. Please complete and fax all soil profiles at least 48 hours before intended delivery to obtain approval. Expedited approvals are available for a fee of \$100.00.

For more information or to obtain Soil Profile Forms, please contact the Land and Lakes Compliance Permitting Department at (708) 720-7028. Forms should be faxed to (708) 720-5521. All this information and more is available on our website:

www.land-and-lakes.com

Credit must be established with the Corporate Office (847-825-5000) for all new accounts. A service charge of 1 1/2% per month on unpaid accounts over 30 days will be applied.
