

RECYCLING IN THE CITY OF CHICAGO

LAND & LAKES COMMERCIAL CUSTOMERS

Level One – Green

For businesses with space constraints.

Green Level Program includes:

- Case of 200 Blue Bags. Additional cases may be purchased at an additional cost.
- Collection coincides with garbage pick-up.
- Annual written program description to be kept on file for employees, residents and inspectors.
- Annual supply of 20 educational flyers for employees and/or residents.
- Annual personalized sign with required program information to be posted in common areas.
- Annually updated adhesive label to place on service door announcing your recycling program.
- Annual Certificate of Participation
- Annual Notice of Renewal

Cost of **Green** Level Services: *\$75 per year*

Level Two – Greener

For higher level recyclers or those businesses without space constraints.

Greener Level Program includes:

- One personalized 95-gallon toter for your business's recyclables. Additional toters may be purchased.
- Weekly or bi-weekly collection.
- Annual written program description to be kept on file for employees, residents and inspectors.
- Annual supply of 50 educational flyers for employees and/or residents.
- Two personalized signs with required program information to be posted in common areas.
- Annually updated adhesive label to place on service door announcing your recycling program.
- Annual Certificate of Participation
- Annual Notice of Renewal

Cost of **Greener** Level Services: *\$150 to enroll plus monthly collection fee. Enrollment fee includes toter and program materials. Monthly collection fee will be based on number of pick-ups. Contact your sales representative for a quote.*

Level Three – Greenest

Tailor-made for larger recyclers including those businesses with quantities of specific materials such as wood, paper, corrugated, glass, etc.

Greenest Level Program includes:

- Your choice of container(s.) This may be any combination of blue bags, toters, commercial cans or roll-off boxes.
- Frequency of material collection will be tailored to your needs.
- Annual written program tailored to your company's specific needs.
- Annual supply of educational flyers for employees and/or residents.
- Personalized sign(s) with required program information to be posted in common areas.
- Annually updated adhesive label to place on service door(s) announcing your recycling program.
- Annual Certificate of Participation
- Quarterly Reports
- Annual Notice of Renewal

Cost of **Greenest** Level Services: *Contact your Land and Lakes Sales Representative to obtain a personalized recycling audit and recommendation for your business.*
